RESPONSE TO RESTRICTION REQUIREMENT

Dear Sir/Madam:

Responsive to the Restriction dated March 2, 1999, Applicants hereby elect the Group VI invention (claim 49, drawn to a therapeutic treatment with an unidentified agent, classified in class 514, subclass 1), **with traverse**. Applicants contend that no undue burden is placed upon the Examiner to search all Groups as listed in the Restriction Requirement.

Respectfully submitted,
FOLEY, HOAG & ELIOT LLP
